You can either apply for Tax-Free Childcare or 30 hours free childcare or sign into your childcare service account here. It's one single application but we'll check your eligibility for both.

When you start you'll temporarily leave this site to verify your identity. Once your identity's been verified, you'll be brought back to this site to complete your application. You'll then get a childcare service account.

Your application or account will timeout after 15 minutes of inactivity. You should make sure you have all the details you need, before you start.

Applying should take around 20 minutes.
