

## Adoption Statement – Queen Mary University London Supplementary Planning Document July 2021

In accordance with Regulation 11 and Regulation 14 of the Town and Country Planning (Local Planning) (England) Regulations 2012, notice is hereby given that the London Borough of Tower Hamlets ('the Council') adopted the Queen Mary University London Supplementary Planning Document (SPD) on 28 July 2021.

The Queen Mary University London SPD provides supplementary guidance to support the vision, objectives and policies of the Tower Hamlets Local Plan 2031. This includes the vision for the Local Plan's 'Central Area', and the objective to 'support the expansion of Queen Mary University of London and associated uses, while ensuring good integration with surrounding areas'

The Council has undertaken formal consultation on the draft Queen Mary University London SPD. The Council made modifications to the SPD following the consultation. The modifications were made to take account of representations made during the consultations as well as factual and clarification corrections. The SPD is a material consideration for developments on sites located within the designated SPD area.

The adopted SPD, a statement summarising the main issues raised during the formal consultation period and how these were addressed in the SPD, a copy of the Strategic Environmental Assessment (SEA) and Habitats Regulations Assessment (HRA) screening, and a copy of this adoption statement can be viewed at the following webpage:
