

It takes two?

Moving to Single-Handed Care

Why ?

- **Government funding cuts**
- **Growing demand for support**

What we are doing

- **Modernising moving and handling practice**
- **Single handed care becomes the default**
- **Starting July 2016**

How are we are doing it?

- **Staff training - OT and Social Work staff**
- **Training for agency staff**
- **Modern equipment**
- **Carry out re-assessments**

Benefits of single-handed care

- **The person**
- **Informal carer**
- **Care agency**
- **Care worker**
- **The council**

Challenges / Issues for providers

How do we address the challenges ?

Next steps:

- **Re-assessments in progress**
- **Details to be sent by email**
- **Training arrangements to be emailed**
