

WINTER 2021

WINTER HOLIDAY ACTIVITIES PROGRAMME

Tower Hamlets Council have brought together a range of organisations offering free fun activities and a meal this Christmas - and places are available for five to 18-year-olds.

The Holiday Activities and Food (HAF) programme, funded by the Department for Education, is for children and young people aged five to 18-years-old who are eligible for free school meals.

All the programmes include at least one meal a day along with nutritional education aimed at improving knowledge and awareness of healthy eating. Alongside the food, fun activities will be provided with opportunities to try out new things or get involved in activities your child might already enjoy - including physical sports or games, creative activities like music or drama, and day trips.

COVID-19

All provision will follow government guidelines, including current restrictions, and will be Covid-secure.

How to get involved

Find out more and book now by visiting the links below for specific programmes or call the numbers provided to enquire about individual clubs.

FAQ's

1. My child has special educational needs and/or disabilities (SEND), can they attend any holiday club?

Yes. OBM ONEAB is our dedicated SEND club, and while some of our other holiday clubs do have places for children with SEND they will need to know about your child's needs as soon as possible, to arrange any necessary additional support. To enquire, please call the club you are interested in your child attending directly.

2. Can my child/children be booked in at different holiday clubs in the same holiday period?

Yes. You can book into different clubs in the same holiday period.

3. My child/children have allergies, will they still be catered for at their club?

Yes. You will need to declare any allergies upon registration so that your child can be catered for appropriately.

4. Will there be things for me (as a parent) to get involved with?

Yes. There is lots! Get in contact with your chosen club to find out what they offer parents and carers.
