

Early years pupil premium

extra funding for your childcare provider

The early years pupil premium (EYPP) gives providers of early years education extra funding to support disadvantaged 3- and 4-year-olds. Your child could benefit from extra resources and equipment to meet their needs.

Your childcare provider (nursery, childminder or school) may be entitled to claim funding for your child if you receive one of the following benefits:

- income support
- income-based Jobseekers Allowance (JSA)
- income-related Employment and Support Allowance (ESA)
- Child Tax Credit (providing you are not also entitled to working tax credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run on, paid for four weeks after you stop qualifying for Working Tax Credit
- the guaranteed part of State Pension Credit
- Universal Credit.

To check your eligibility against the criteria, use the online checker at www.myearlylearning.co.uk

Your child will also qualify if:

- they are looked after by the local authority
- they have been adopted from care
- they have left care through special guardianship
- they are subject to a child arrangement order.

Please note that the EYPP is not a deduction on any childcare fees you may pay. It is additional funding to the provider to ensure that your child receives the quality of provision they need.
