

Bringing local people together

Looking for a venue to hire? We can help

London Borough of Tower Hamlets is developing a network of Community Hubs across the borough. These are versatile, bookable spaces, designed to allow multiple community groups to use the building at the same time.

All of the Community Hubs will provide high-quality facilities, including:

- **A large hall or meeting space.**
- **A small meeting space.**
- **A kitchen.**
- **Free Wi-Fi.**
- **Multimedia facilities.**
- **Secure lockable storage for regular users.**

The Community Hubs are designed for use by local community groups with priority given to voluntary and community sector organisations. The spaces will be available at affordable hourly rates and will be let on formal licence agreements.

The first Community Hub has launched near Christian Street in Whitechapel and offers modern spaces for a range of activities.

Christian Street Community Hub

Whether you need a venue for a community event, conference, social event, parties and celebrations, knitting clubs, youth groups, senior clubs or for regular meetings, we have a selection of flexible spaces at affordable rates.

Located within a five-minute walk from Shadwell DLR and Overground stations, the Christian Street Community Hub is a multi-purpose facility ready to meet your needs.

The hub offers:

- Two large multi-purpose spaces for up to 80 people each, with room dividers to create smaller spaces.
- A meeting room for up to 8 people.
- Two large open-plan break out areas.
- Kitchen facilities.
- Free Wi-Fi and multimedia facilities.
- Secure storage for regular users.

We can also help with arranging catering for your event, if required.

How to book a room

Spaces are available to book between 9am-10pm. If you are interested in booking a space or require further information, please contact the Community Booking Co-ordinator on **020 7364 0888** or email **communityhubs@towerhamlets.gov.uk**
