Telephone: 020 7364 5008

### New premises licence/variation application

The non-domestic (business rate) must be identified see <https://www.gov.uk/introduction-to-business-rates> for the Government site.

- All commercial properties fall within Bands A-E or do not have a rateable value. Where there is no rateable value then Band A applies. Please note that this is not the case where a premises is in the course of construction (please contact the Licensing Authority for further advice). Rateable value, of course is not the amount of rates that a business pays.
- The appropriate schedule then relates the Band to a fee, but the fee varies for different activities.
- A multiplier then applies to some premises applications.

### RATEABLE VALUES AND BANDS

Column 1	Column 2
<b>RATEABLE VALUE</b>	<b>BAND</b>
No rateable value to £4300	A
£4300 to £33,000	B
£33,001 to £87,000	C
£87,001 to £125,000	D
£125,001 and above	E

The rateable value is placed in the appropriate row in Column 1 and the Band is thus read from the same row in Column 2.

### PREMISES LICENCE/VARIATION (this does not include varying the Designated Premises Supervisor or the transfer of premises licence)

### BANDS AND FEE

Column 1	Column 2
<b>BAND</b>	<b>FEE</b>
A	£100
B	£190
C	£315
D	£450
E	£635

The starting point is the fee applicable to the Band appearing in column 1 of the table in Schedule 2.

In addition for premises in Band D or Band E where the use of the premises is exclusively or primarily for the carrying on the premises of the supply of alcohol for consumption on the premises, the amount of the fee shall be –

- (i) in the case of premises in Band D, two times the amount of the fee applicable for that Band appearing in column 1 of the table in Schedule 2 specified in column 2 of that table; **THAT IS £900.**
- and
- (ii) in the case of premises in Band E, three times the amount of the fee applicable for that Band appearing in column 1 of the table in Schedule 2 specified in column 2 of that table. **THAT IS £1905.**

Thus, this accelerator will not apply to supermarkets, restaurants, off-licences, social clubs, cinemas or music venues but will apply to traditional public houses and bars.

### **Examples**

#### **Example one**

The Public House, the “Ferret and Trousers,” Lower Street E3 has a rateable value of £12980.

Therefore it is in Band B (it is between £4300 to £33,000)

Therefore the fee to be paid for a conversion only is **£190.**

#### **Example two**

The wine bar, the Hot Spot has a rateable value of £150672

Therefore it is in Band E (£125,001 and above) which generally gives a fee of £635.

However, an additional charge is going to apply because:

The premises is in Band D or Band E (in this case E) and the use of the premises is exclusively or primarily for the carrying on the premises of the supply of alcohol for consumption on the premises.

Therefore the amount of the fee to be paid for a conversion only is three times the amount of the general fee for Band E **THAT IS £1905.**

### **The following applies to a premises licence**

#### **Exemptions**

The following require a licence but do not have to pay a premises fee of any sort in relation to **ENTERTAINMENT ONLY**

- school or college (but not University)
- Premises that are or form part of a church hall, chapel hall or other similar building or a village hall, parish hall or community hall or other similar building.
