

Best Practice for Business

Tuesday 12 May, 12:30-1:30pm

Licensing and Trading Standards officers are working together to support local businesses in preventing sales of age-restricted products such as alcohol and tobacco to anyone under the age of 18.

The workshop will highlight the Underage Sales and Responsible Retailers Scheme, 'Challenge 25', which outlines best practice to protect businesses. It will also provide an opportunity to discuss existing and new legislation.
