

Temporary Event Notices for New Year's Eve 2017

If you wish to hold a licensable event for New Year's Eve, you must give a temporary event notice (TEN) to us no later than ten working days before the event. This means the deadline date for a standard TEN is 13th December 2017 and the deadline date for a late TEN is 20th December 2017.

During the lead up to the busy Holiday period it would greatly assist this Licensing Authority if you could kindly send any Late Temporary Event Notice application for New Year's Eve by 18th December 2017. Thank you for your anticipated assistance with our request.
