Tower Hamlets Council Forward Plan

The Council is required to publish a Forward Plan of all key decisions, which are likely to be taken by the Executive (Cabinet, Council and Grants Panel) over the next four months. Key decisions are all those decisions, which involve major spending, or savings or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Article 13.03 of the [Constitution](#).

The Forward Plan also includes Budget and Policy Framework items. A schedule of these Budget and Policy Framework Items with programmed dates of submission to Cabinet and Council is attached as Appendix A to this document. Budget and Policy Framework Items are those items (listed in Article 4 of the Council's Constitution) that require adoption by the full Council following formal consideration by the Cabinet and Overview and Scrutiny Committee.

The Forward Plan is formally published on a monthly basis and contains details of the key decisions to be made Executive for the four month period following its publication, the body making the decision, the date the decision is due to be made, who is going to be consulted, background information and how representations can be made. In addition to the formal publication, the Forward Plan is also updated after each meeting of the Cabinet and Overview and Scrutiny Committee (if matters have been called-in). The updated versions of the Forward Plan are available for inspection on the Tower Hamlets Council website and/or Intranet.

This does not prevent further issues, which are not identified in the Forward Plan, from being added to the agendas of meetings during the period. If these matters are Key Decisions they will be formally published on the Tower Hamlets website and/or Intranet.

The most effective way for the public to make their views known about the issues listed in the Forward Plan is to examine the consultation column of the Forward Plan, and/or contact the report author or Cabinet Lead Member as soon as possible, and no later than 10 working days before the decision is expected to be taken.

You can also view the Council's Consultation Calendar, which lists all the issues on which the Council and its partners are consulting.
