New Extension

During the recent consultation with the school council we found out what you want you would like the design of you school to include.

You told us that you wanted –

Plants on the roof

Colourful Paintwork

Climbing Frame

Benches Outside

Flowers on the roof

New Toilets

Colourful Glass

Colourful Playground

Tennis Court

Colourful Walls

Nature Garden

The School Council conducted a survey of the school to find out the views of the children before the consultation The results of this survey are that the school community wanted:

Recycling Bins

Grass

Outdoor Classes

Ventilation In Classrooms

Lights in the toilet floor

More Toilets Grass on the roof

New Sensor Taps

Greenhouse for Classes to grow their own vegetables

Larger Variety of Clubs

More Shelter

CCTV cameras to deter bullying

More Plants

Water Fountains

What we gained from this consultation – The School Council would like & these are the things we are considering in the design of the school and grounds

More Shelter

Grass on the roof

Lights in the Playground

Tiles on toilet floor

More Plants

Water Fountains

CCTV cameras to deter bullying

New Sensor Taps
