

**Planting to provide some enclosure to the space
Would you like this?**

**A new active space for all the community
Is this a good idea?**

**Create a community meeting space
Is this something you'd like?**

Community meeting space

Planting to highlight the changing seasons

Do you think the play area and the gym area should be located together?

Should the play area include natural elements such as logs and boulders?

Hedge planted to boundary of the square

Planting to attract wildlife

Would you like to have the play area linked to the green spaces of the square by removing the fence?
