Notes:

Record the household against the cumulative amount of time spent in the relevant type of temporary accommodation. E.g. If a household is placed in B&B accommodation for 5 days before being moved into, for example, private sector leased accommodation where they spend "x" days before returning for a further 10 days in B&B, record the household under the "1 week to under 6 weeks" column to reflect the total of 15 days spent in B&B). Other nightly paid, privately managed/accommodation shared facilities (also referred to as "Annexes") should be included under B&B accommodation for the purpose of this section. If a household is placed in this type of accommodation after a time spent in B&B accommodation the length of stay recorded should be the sum of the two separate periods (e.g. 7 days in B&B and 7 days in shared facilities annexe = 14 days in total. Record under "1 week to under 6 weeks" column).

Measurement should commence on the date the household **first** entered this form of accommodation (e.g. to discharge the S188 duty). Note that this will not necessarily be the date on which the authority decided that a S193 duty was owed (it may be before or after). The figures should relate to the cumulative spent by the household in the relevant form of accommodation and include any relevant time prior to October 2004.

If you are unable to complete this section of the P1E, **please contact Alex Arulanandam on 020 7944 3316** to discuss what information you have on length of stay in temporary accommodation, and the format in which it is held.
