Paradigm Trust is seeking to recruit an SEND provision class teacher in its new specialist provision for pupils with SEND in Culloden Primary Academy. The successful applicants will report to the SENCO. The teacher-led provision is being developed to meet the specific needs of pupils with significant SEND. The pupils in the provision will be mixed age but predominantly working within P levels. The successful applicant will lead a team of SEND teaching assistants. Our aim is to include pupils in all aspects of the curriculum and the life of the school. This will be a demanding, varied, highly challenging and rewarding role that will provide an excellent career opportunity for an exceptional individual. As a Trust, we are outcomes-driven and flexible working options can be accommodated.

The successful applicant will:
- have a sound understanding of the impact of a range of SEND on learning and how to plan and differentiate to account for this;
- have a commitment to collaborative working;
- have excellent communication and interpersonal skills; and
- promote effective, inclusive education for children with SEND.

All applicants must have due regard for safeguarding and promoting the welfare of children and young people, and if successful will be required to comply with the Trust’s safeguarding policies and procedures.

If you would like to meet or have a conversation with the Principal or the Assistant Principal about the role, this can be arranged by contacting the HR team via email - hr@paradigmtrust.org

How to apply: If you feel you have the relevant skills, experience, drive and ambition please complete an application form (available on the Careers section of the Trust Website).

Please return your application to hr@paradigmtrust.org

Interview date: Shortlisted candidates will be contacted with the date and time.
An opportunity has arisen for a Teacher of the Deaf to join the Deaf Support Base team at Culloden Primary Academy. The successful applicant will contribute to effective teaching and learning for deaf and hearing impaired pupils, to ensure they develop effective communication skills and achieve good academic outcomes. We have a total communication policy and aim to include pupils in all aspects of the curriculum and the life of the school. The successful applicant will report to the Deaf Support Base Manager. This will be a demanding, varied, highly challenging and rewarding role that will provide an excellent career opportunity for an exceptional individual. As a Trust, we are outcomes-driven and welcome discussions of flexible working options.

The successful applicant will:

- have a sound understanding of the impact of hearing impairment on learning and how to plan and differentiate to account for this;
- have a commitment to collaborative working;
- have excellent communication and interpersonal skills and
- promote effective, inclusive education for deaf pupils.

At Mulberry UTC, we are passionate about the importance of technical and vocational learning. Our students excel in their chosen specialist subjects, because they know this will lead them to success in their future careers. We are looking for a talented, inspiring teacher of Health and Social Care to join our growing team. You must be committed to practical, hands-on learning and to achieving the best possible outcomes for all young people. We value every member of our school community equally and we believe that everyone has the ability to achieve excellence.

The school is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. The successful candidate will require an enhanced DBS clearance. We are dedicated to equality and valuing diversity.

We would welcome potential candidates to visit our school.

**How to apply:** Our application pack, including details, job description, person specification and application form, is available at: [http://mulberryutc.org/current-vacancies](http://mulberryutc.org/current-vacancies). Please return completed applications to rseedoo@mulberryutc.org.
Are you considering a career in teaching? This is an excellent opportunity for a graduate TA wishing to prepare for initial teacher training.

At Harry Gosling, we believe in providing the very best for all our children by creating an aspirational, exciting learning community. We offer significant professional development opportunities for all our staff, wherever they are on your career path.

We are in our first year of soft federation with Stephen Hawking Primary School, a special school for children with profound and multiple learning difficulties. This enables the staff and children in both schools to grow and develop together and to learn from one another. It makes this year a particularly exciting time to join the school.

We are looking for a talented Higher Level Teaching Assistant who will provide cover across Key Stages 1 and 2. That person will:

- Have experience working in a school setting with some experience of covering whole classes
- Have a hunger for learning and personal growth
- Be highly motivated, reliable and flexible
- Have excellent communication skills and can build and maintain relationships across the school community
- Be able to work using their own initiative as well as work as part of a team
- Put children first and can inspire young children to become confident, enthusiastic learners

We offer:

- A genuine opportunity to make a difference to the lives of children
- A tailored professional development package to support your growth in the role
- The opportunity to be supported through post-graduate teacher training
- Delightful children who are eager to learn
- A dedicated, supportive staff
- Involved parents and governors
- A friendly school community in an exciting area of London

Visits are encouraged and warmly welcomed.
Harry Gosling School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Appointments are subject to an enhanced DBS check, satisfactory references and medical clearance.

Economics & Business Teacher

Contract Type: Permanent (from Sept 2020)

Salary: MPS/UPS (+ Inner London weighting)
A TLR is negotiable for an outstanding candidate

Closing date for all applications: 9.00am on Tuesday 3rd March 2020

We are an OFSTED outstanding school with a culture of high expectations based on our Swanlea Values. We are in the top 120 schools for progress at KS4 and have an ALPs score of 3, making us the best performing sixth form for progress in Tower Hamlets. The vast majority of our students progress onto top universities including Oxford and Cambridge. We have the best attendance and behaviour figures in the local authority. Despite our successes, we are not complacent and we believe that we have the capacity to further improve.

Swanlea students are proud of their school and we have extremely supportive parents/carers and governors. We are highly committed to the development of all colleagues as evident in our comprehensive CPD programme.

Swanlea School is located in one of the most deprived areas in the UK; 60% of our students are Pupil Premium. Our students may come from disadvantaged backgrounds but they do not lack ambition for their futures, and neither do we as reflected in our no excuses culture. Our highly motivated and hard-working staff are driven by the moral imperative that our young people are capable of achieving highly.

We are looking for a passionate teacher of Economics who can teach KS4-5 Economics and Business. The BIS Faculty has a strong record of academic achievement in delivering excellent outcomes across KS4 and KS5. Economics is one of the most popular subjects at KS5. The ALPs score for Economics has been consistently high at 3. We are seeking to appoint an outstanding teacher of Economics to join us on our journey to be an exceptional school.

As you would expect, we are looking for the best. A good honours degree and qualified teacher status are essential. You will be able to demonstrate unwavering commitment to raising student progress and standards. Like us, you believe that social disadvantage is no barrier to achievement and that every student can share in the joy of education. Most importantly, you will possess integrity, good humour and moral purpose.

In return, we can offer the following:
- A competitive salary with inner London weighting and pension scheme;
- A highly regarded middle and emergent leadership programme;
- A broad and wide ranging staff development programme, delivered by outstanding experts;
- A central location with excellent transport links;
- Outstanding facilities and resources to support teaching and learning;
A friendly and diverse student and staff community;
Discount scheme that offers savings on purchases, including groceries, eating out, entertainment, etc;
Season ticket loan scheme;
Cycle to work scheme;
Free eye tests and discounted eye-care scheme;
Access to confidential emotional and practical advice support services.

We would welcome applications from both NQTs and more experienced members of staff.

The school is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. The successful candidate will require an enhanced DBS clearance. We are dedicated to equality and valuing diversity.

We would welcome and encourage potential candidates to visit our schools. Please telephone or email to arrange this or for an application pack.

Are you a dedicated, enthusiastic and highly motivated professional who enjoys a challenge? If so, we would like to meet you.

London Enterprise Academy is a Free School at the heart of London’s vibrant East End. The Academy opened in September 2014 with year 7’s only, in a former glass office block, which is fully renovated to a high standard. The Academy has capacity for six hundred students aged 11-16 when full. It provides a stimulating education and personalised curriculum within a supportive environment. All of our students are encouraged to stretch themselves to achieve their potential.

We now have pupils in year 7-11 and have delivered an excellent first set of GCSE’s where progress, attainment and EBacc are above National Average (Standard pass English 78% and maths 74%).

We are looking for someone to work alongside key school staff, children and families to contribute to raising achievement by improving school attendance. To provide a specialist service to assist the school in meeting their obligations and targets in relation to raising school attendance and reducing persistent absence

At Mulberry UTC, we are passionate about the importance of technical and vocational learning. Our students excel in their chosen specialist subjects, because they know this will lead them to success in their future careers. We are looking for a talented, inspiring teacher of science to join our growing team. You must be committed to practical, hands-on learning and to achieving the best possible outcomes for all young people. We value every member of our school community equally and we believe that everyone has the ability to achieve excellence.

If appointed to this post, you would be teaching science to Key Stage 4 and Key Stage 5 students in this successful and expanding school. We are ideally looking for a candidate with a chemistry or biology specialism, but can be flexible for the right candidate. We work closely with the other schools within the Mulberry Schools Trust and our industry partners to ensure that our students achieve excellence in both academic and technical qualifications.

We offer: a supportive staff team, a state of the art building, opportunities for career progression and students who are genuinely interested, engaged and highly motivated.

We welcome applications from Newly Qualified Teachers.

We recognise and value continued professional development, so a wide range of training opportunities will be made available to you throughout your career with us.

Oaklands School is a fully inclusive school with a wealth of opportunities for all learners to achieve their full potential. Our Progress 8 Scores are well above national average for the fifth year in a row. We are a school which serves the local community and promotes co-operation, responsibility and respect.

We are looking for a creative and inspiring Maths teacher to join our team in September. The ideal candidate will be reflective and enjoy working with others as part of our forward-looking team. We are an experienced team of mathematicians, who are very supportive, often plan collaboratively and are always happy to share ideas. NQTs are encouraged to apply.

We believe that every student has the ability to succeed in mathematics and last year our progress rates were the highest in the borough. We use a wide range of teaching and learning strategies including the use of manipulatives and pictorial methods. We endeavour to support students in gaining a conceptual understanding as well as making sure they are active and enjoy their learning. Problem solving is at the heart of how we teach. We also run a series of projects to help students relate maths to everyday life.

If you have a passion for mathematics and helping students to achieve and are looking for a supportive and creative department that gets results, then please apply.

Oaklands is an Equal Opportunities employer and welcomes applications for all posts from appropriately qualified persons regardless of age, disability, ethnicity, gender, marital status, sexual orientation, religion or belief.

We are committed to safeguarding and promoting the welfare of young people and expect all staff and volunteers to share this commitment. The successful candidate will be DBS checked.

An appointment as an Assistant Headteacher at Morpeth School is an opportunity to join a highly successful team: talented, committed staff; enthusiastic, friendly pupils and a community of supportive families and external partners within and beyond Tower Hamlets.

We believe that our continued success as an ‘Outstanding’ school derives from our inclusive, pupil-centred focus; our commitment to the continuous review of teaching and learning and professional development; and a strong belief in the need to work within a set of values which underpins all that we do.

We would like you to apply for this post because:

- You are an experienced and effective teacher, currently a middle or senior leader, who would like to work in a school with an exciting range of partnerships with higher education, business and arts organisations and with local primary and secondary schools.

- You enjoy working creatively and flexibly, and believe in a collaborative approach to leadership.

- You are committed to working in an inner city school and believe that such schools should provide the best possible environment for academic success and personal development.

Members of the leadership team at Morpeth have a range of whole-school responsibilities. The specific role will be agreed in discussion with the successful candidate, following appointment.
We are committed to safeguarding our students. Successful candidates will be required to abide by the school’s Safeguarding Children policy and undergo an enhanced DBS check.

How to apply:

Closing date for receipt of applications is **12 noon on Monday 24th February**. Interviews will be held on **Thursday 27th** and **Friday 28th February**.

For further details and information pack, see **Join Us** section of school website www.morpethschool.org.uk or ring us on 020 8981 0921.

To book a visit to the school, please contact Stacy Whitham (PA to the Headteacher) 020 8981 0921, swhitham@morpeth.towerhamlets.sch.uk

**For full details and application form**, see the school website www.morpethschool.org.uk or if necessary email recruitment@morpeth.towerhamlets.sch.uk or phone 020 8981 0921.

**Short description:** (No more than 150 words)

New City College is the dynamic group of further education colleges in East London which comprises Tower Hamlets College, Hackney Community College, Epping Forest College, Redbridge College, Havering College of Further & Higher Education and Havering Sixth form College. Our 6-college merger places the group at the forefront of further education in the region. With a turnover of £110m, 30,000 students and 2000 staff it is one of the strongest and most influential further education organisations in the country.

Our college environment is second to none. We have industry standard facilities and equipment at all campuses, expert staff and partnerships with other high-profile organisations which all prepare students for progression to higher education or successful careers.

We aim to provide an efficient, aligned IT service across the whole NCC group to ensure that all staff and students receive the same positive user experience on each campus. There are many legacy and new challenges facing this growing IT Services team which need to be met in order to achieve this objective and we are therefore looking to recruit a Deputy Director to support the work of the Group Director in this process.

We are seeking an individual who will be able to address and take on these issues with positive results as well as providing the support to develop and innovate strategies to ensure we not only meet our objectives of an aligned group service but also the technological requirements to support the College’s Strategic Intent. While technical knowledge is useful for this role, the successful candidate must have a good understanding of IT, possess strong soft skills and have proven ability to bridge the gap between the technology and the business. We are looking for someone with strong analytical skills, who is process driven as well as a good communicator with good product sense and vision.

This post can be at any of the NCC campuses to ensure integration into New City College policies and procedures following the recent merger but will have input in all group activities.

### How to apply:

If you wish to apply please email your CV and a supporting statement of no more than two sides of A4 explaining how you meet the requirements of the role to:

recruitment@ncclondon.ac.uk
To apply for this vacancy and for further information please visit our website: https://www.ncclondon.ac.uk/work-for-us or contact Human Resources on 020 7510 7712. E-mail: recruitment@ncclondon.ac.uk

This is an exciting opportunity to join a high achieving school at GCSE and A level. We have an outstanding and talented Science Faculty with an established record of fantastic exam performance. Our science value added scores have been significantly above national average and in the top 20% of schools for three years running (2017-2019). Entries into separate sciences at GCSE are consistently high (Nearly 50%) and many of these students go on to take up Chemistry A level, which has been consistently popular.

We welcome applications from candidates from a range of experience levels: we are confident in our capacity and ability to coach those new to the profession to become outstanding practitioners, and as such this role could be perfect for a well-qualified but recently trained Chemistry graduate. For the right candidate, we may offer an opportunity to be supported and coached into a subject leadership position. Equally, we are keen to hear from experienced leaders of Chemistry and may be able to offer recruitment and retention for suitably experienced practitioners. Whatever the experience level, we are looking for candidates with strong qualifications who are confident in teaching Chemistry to year 13.

At Oaklands we have highly committed and dedicated staff who work very hard so that our students can achieve their high expectations. If you think you can take our Science Faculty to greater heights, we look forward to hearing from you.

Oaklands is an Equal Opportunities employer and welcomes applications for all posts from appropriately qualified persons regardless of age, disability, ethnicity, gender, marital status, sexual orientation, religion or belief.

We are committed to safeguarding and promoting the welfare of young people and expect all staff and volunteers to share this commitment. The successful candidate will be DBS checked.

Are you ready to take the next step in your career? Stephen Hawking School is an outstanding school (Ofsted - Oct 2019) for children with profound and multiple learning difficulties.

We believe in providing the very best for all our children by creating an aspirational, exciting learning community. We offer significant professional development opportunities for all staff, wherever you are on your career path.

We are in our first year of soft federation with Harry Gosling Primary School, a mainstream primary school. This enables the staff and children in both schools to grow and develop together and to learn from one another. It makes this year a particularly exciting time to join the school.

We are looking to appoint an outstanding teacher who:
· Is focussed on high expectations of children’s attainment and behaviour
· Has excellent classroom practice with SEN and SLD/PMLD children and early years
· Has an understanding of the ever-changing needs of pupils
· Has the ability to challenge, motivate and inspire
· Can demonstrate commitment and potential
· Can work collaboratively with different types of staff and SEN pupils, offering sound practice to improve the provision, practice and outcomes for SEN pupils

We offer you:
· Children who are a joy to work with
· Excellent professional development opportunities
· Opportunity to work in different learning environments and to find collaborative solutions
· Support from experienced and trained professionals
· Strong links with mainstream schools
· A central location with excellent public transport links – Brunton Place site
· A location north of the borough with good transport links – St Jude’s Road site

Candidates are welcome and encouraged to telephone for an informal discussion and to visit the school.
Our school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post is subject to safeguarding DBS checks.
**How to apply:**

For details about how to apply, please visit the school’s website to download the application pack. If you require any further information, or would like to visit the school, please contact us at admin@stephenhawking.towerhamlets.sch.uk or 0207 423 9848 to book your place.

Please return your application to admin@stephenhawking.towerhamlets.sch.uk marked for the attention of Jennie Bird.

Could you help give our children the best possible start in life?

Our Supported Employment Early Years Programme (SEP - EY) is offering unemployed Tower Hamlets residents an apprenticeship in childcare.

Details:
- 13 months paid placement.
- Placements will be for 32 hours per week including training.
- Positions paid the London Living Wage.
- Participants will gain a recognised qualification in Children and Young People Workforce.

Each applicant will have to undergo a numeracy and literacy assessment, achieving at least a level entry 3(E3) and will go through the Tower Hamlets recruitment and selection process.

Requirements:
- Resident of Tower Hamlets.
- Unemployed.
- An interest in Working in the Early Years sector.
- A five year checkable history for DBS.
- Willing to work anywhere in the borough.
- Willing to study towards the recognised accredited qualification.
- Flexible approach to working hours – some nurseries are open 7am – 7pm.

To register your interest, please email seey@towerhamlets.gov.uk or call 020 7364 7125 or 0207 364 3733
Please get in touch with the Supported Employment Programme – Early Years by emailing seey@towerhamlets.gov.uk.
EVERY CHILD MATTERS!

- Do you have any Level 2 Early Years staff that you would like to give the opportunity to upskill to Level 3?

- Are you unable to facilitate the upskilling of your staff as this would require agency cover at an additional cost?

The Supported Employment Programme - Early Years (SEP - EY) could be the perfect solution for your Nursery or School.

To access this opportunity, organisations will need to be willing to upskill one of their current level 2 staff to NCFE CACH Level 3 through our fully funded Early Years Educator course. SEP - EY will then provide you with a fully subsided Level 2 Early Years apprentice for one year duration.

All of the Level 2 Early Years Apprentices go through the Council’s recruitment and selection process and regular support is provided to the placement hosts in addition to pastoral care for the apprentices.

If this sounds like a scheme that would benefit your School or Nursery, the SEP - EY team would love to hear from you.

Please get in touch with the SEP - EY team, Fatema Bibi Miah - Supported Employment Programme (Early Years) Team Leader 020 7364 3733; Jacqueline James - Supported Employment Officer (early Years) 020 7364 7125 or email seey@towerhamlets.gov.uk.
