Short description:

We require an exceptional classroom practitioner with a passion for teaching Science. You will be an innovative and creative teacher with a student centred vision. You will have ambition, energy and drive to provide our students with exciting and challenging lessons in Science. You will primarily be teaching A-Levels. You will also be responsible for assisting students with UCAS and career choices.

Applications from NQT’s would be welcome.

The Science Department is accommodated in facilities including six laboratories, two preparation rooms and a learning centre. Our students are a balance of young people and adults studying GCSE, AS and A2 Science subjects, and vocational, cross-disciplinary, applied science courses at levels 1, 2 and 3, including Access to HE courses. Results at all levels are good. We have an excellent record of preparing students for scientific and medical careers.

The school is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. The successful candidate will require an enhanced DBS clearance. We are dedicated to equality and valuing diversity.

We would welcome and encourage potential candidates to visit our schools. Please telephone or email to arrange this or for an application pack.

EVERY CHILD MATTERS!

Do you have any Level 2 Early Years staff that you would like to give the opportunity to upskill to Level 3?

Are you unable to facilitate the upskilling of your staff as this would require agency cover at an additional cost?

Then..........the Working Start Childcare Programme (WSCP) could be the perfect solution for your Nursery or School.

The London Borough of Tower Hamlets - WorkPath has launched a new project which will:

- Support the demand and quality of workers in the Early Years sector.
- Upskill those already in the profession.
- Alleviate the difficulties caused by providing them with day release.
- Assist locally unemployed residents who have a desire to gain employment within this sector.

To access this opportunity organisations to upskill one of their current level 2 staff to NCFE CACHE Level 3 Early Years Educator through our funded course. The WSCP will then provide you with a fully funded Level 2 Early Years apprentice for one year duration.

All of the Level 2 Early Years Apprentices go through the Council’s recruitment and selection process and regular support is provided to the placement hosts in addition to pastoral care for the apprentices.

If this sounds like a scheme that would benefit your school or nursery, the WSCP team would love to hear from you.

Please get in touch with the WSCP team, Juli Browne - Working Start Manager 020 7364 2869; Jacqueline James - Working Start Project Officer 020 7364 7125 or email wscp@towerhamlets.gov.uk.
