1. The Charging Authority

The London Borough of Tower Hamlets is a Charging Authority for the purposes of Part 11 of the Planning Act 2008 and may therefore charge the Community Infrastructure Levy (CIL) in respect of development in its Charging Authority area.

2. Date of Approval

These exemptions include:

- Developments where the gross internal area of new build² on the relevant land will be less than 100 square metres except where the development will comprise one or more dwellings;
- Buildings into which people do not normally go, or go into only intermittently for the purpose of inspecting or maintaining fixed plant or machinery;
- Development where the owner of a material interest in the relevant land is a charitable institution³ and the development will be used wholly (or mainly) for charitable purposes.

4.2 In addition, the Regulations also allow exemptions to be claimed for self-build housing, and residential annexes and extensions over 100 square metres (regulation 42A and 42B). Affordable housing will be eligible for relief from CIL (regulation 49).

¹ Please refer to the accepted method of calculation set out in the Royal Institution of Chartered Surveyors' Code of Measuring Practice: A Guide for Professionals.

² Please refer to Part 2 of the CIL Regulations 2010 (as amended).

³ Please refer to Part 5 of the CIL Regulations 2010 (as amended).

5. CIL Rates
