Each flat has its own en-suite shower room, underfloor heating, kitchen and flat screen TV. What's more, if you feel like chilling out after a hard day's studying or just enjoying the views over London, then you can always take a trip up to the swanky rooftop garden terrace.

Mansion Hive is located close to some of the biggest universities in London. The London School of Economics, University of Westminster, Queen Mary's College and City University are all close by. The flats are also close to Bethnal Green Underground station, so traveling further afield is easy - you can get right into the heart of London by taking a Central line train. For cyclists, we have secure bike storage available on a first come, first served basis. There's also a hospitality and maintenance team on site to provide you with any assistance you might need.
