Dear Sir/Madam

London Borough of Tower Hamlets Local Plan Examination

On 28th February 2018 London Borough of Tower Hamlets Council formally submitted its Local Plan Document to the Secretary of State for Housing, Communities and Local Government.

The Secretary of State has appointed Inspector Christa Masters MA (Hons) MRTPI of the Planning Inspectorate to conduct the examination to determine whether the plan is sound. The Inspector will consider all the representations made on the Local Plan that was published for consultation on the 2nd October 2017, and its associated supporting documents, and will decide who should be invited to take part in the public hearing sessions.

I have been appointed as an Independent Programme Officer for the examination and will be assisting the Inspector with all aspects of the examination administration. I am independent of the Council.

The Inspector will produce an initial guidance note providing some additional information on the Examination procedure and setting an indicative timetable she is intending to work to. This will be updated during the course of the examination when the timetable/process for the Examination becomes more certain. Please also be aware that this material, other Examination documentation and correspondence between the Inspector and the Council will be hosted on the Council's examination webpage [Examination Webpage](#)

Copies of the submission documents together with the examination library are available to download from the Council's website.
