Dear Mr Hardwick

Thank you for your request for information which the GLA received on 7 March 2018. Your request has been dealt with under the Environment Information Regulations 2004.

You asked for a full copy of the Development and Infrastructure Funding Study (DIF) for the Isle of Dogs and South Poplar Opportunity Area Planning Framework. The GLA does not hold a full copy of the study because this has not yet been completed / finalised.

The original timeframe for completion and publication was summer 2017 and apologise for the delay. We anticipate that once the study is finalised we will be publishing late spring 2018. In the meantime, if you require any further information, please visit;

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA070318-5916

Yours sincerely

Paul Robinson
Information Governance Officer
