## **Statement of Reason**

### **Neighbourhood Area Designation**

It is considered that the Area application is considered an appropriate area in accordance with the Town and Country Planning Act (1990) (61G & 61H), the Neighbourhood Planning (General) Regulations 2012, the National Planning Practice Guidance and the Tower Hamlets Neighbourhood Planning Guidance Note. It uses an understanding of physical and administrative boundaries, Local Plan spatial designations, key local assets and movement corridors within the area and its surroundings, to determine its boundaries.

It is considered appropriate, following the consultation comments and the prospective Forum's request, for the Area to be designated as the 'Roman Road Bow Neighbourhood Area'.
