18. SocietyLinks Tower Hamlets

80 John Fisher Street, E1 8JX

21st, 22nd, 23rd, 27th, 28th, 29th - 12pm-4pm

5-16 years

Lunch offered

In this project we will provide an inclusive approach by planning activities for SEND/ ASD/disabled children where they can take part in activities. We already have a specialist SEND group at SocietyLinks, the same staff from this project will be available and will provide assistance throughout this Christmas programme.

There will be a range of activities present, including sensory games through sand and play dough.

Turn up on the day

Families should turn up on the day to register their child/ren. A registration form will need to be completed by parents/carers. Once this form has been completed, parents/carers can leave their child/ren at the centre and pick them up at 4. This registration form only needs to be finished once and the following days children will be ticked off.

For more information and updates on provision available visit the Holiday Activities and Food provision page on the Tower Hamlets website by scanning the above QR code.

Christmas 2022 holiday activities and food programme

Holiday Activities and Food (HAF):

Tower Hamlets Council has brought together a range of organisations offering free fun activities, clubs and meals this Christmas. Places are offered to children in reception up to Year 11 (inclusive) who receive **free school meals**.

In this directory is a list of clubs that are offering the provision along with club dates and locations. For more information about what activities each club is offering, please contact the clubs directly or visit their social media pages for updates about their provision.

Please note that HAF programme activities will take place between 21 and 31 December (no clubs will be open on 25 and 26 December)

Who can attend a HAF club for free:

This HAF programme, funded by the Department for Education, is for children and young people who receive free school meals at their schools. If you are unsure if your child receives free school meals, please check with your school.

What:

All the programmes include at least one meal a day which will meet school food standards – please see the list to find out whether the club has a breakfast, lunch or dinner offer please see the list to find out which meals are offered at each club.

There will also be an element of nutritional education each day aimed at improving knowledge and awareness of healthy eating. Coupled with the food aspects of the schemes, fun activities will be provided with opportunities to try out new things or get involved in activities your child might already enjoy. The kind of activities will include physical sports or games, creative activities like music or drama and day trips.

SEND provision:

Most of the clubs funded under the HAF programme will offer specific SEND support. Please contact clubs directly to gain a full understanding of the support available.

1. Winter / Christmas HAF Holiday Sports Camp 2022 - SEND focussed

St Agnes Primary School
Rainhill Way
Bow, London E3 3ER

21st, 22nd, 23rd, 27th, 28th and 29th - 09:30am – 3pm

5-11 years

Lunch offered

We can allocate places to SEND children, however we would need to be notified of their needs prior to the children attending. In cases where a 1:1 is required, we can allocate SEND staff, however we would need to adjust the staffing numbers in line with this.

Parents will need to book their child(ren) onto the camp via the following booking web link: <https://first-kicks-sports.class4kids.co.uk/camp/12>

Queries to be emailed to:
firstkickssportscamp@hotmail.com
