The information supplied in this spreadsheet is provided in connection with the provisions of the Freedom of Information Act 2000.

Please note that we consider the information relating to individual or sole traders to be personal data and therefore exempt in accordance with section 40 of the Freedom of Information Act 2000. We also consider that any property associated with individuals or sole traders is also exempt as stated in the Information Tribunal Mr C P England V London Borough of Bexley 2007 therefore we have excluded both the names and addresses in these cases.

We have provided a start date in column I however due to system limitations this will only show a valid start date within the current financial year and where the date is shown as 01/04/YYYY this will be the start of a new billing period and not necessarily the actual start date. If any other dates are shown in this column then this will be the liability start date.
