

## **PLEASE DO NOT IGNORE THIS NOTICE**

Dear Resident,

Following the completion of a pilot project to drastically improve waste arrangements and the general street scene in the Brick Lane area, the Council has taken the decision to change your current waste collection arrangements.

These arrangements commence **Monday 31<sup>st</sup> October 2011** and also apply to businesses to ensure that the area will be waste free at other times.

All waste (residential and business) on **Hackney Road** will be collected via sacks from directly outside your door each day unless your bin is stored *off* the street.

The table below shows the times when waste and recycling can be put out for collection.
