

IMPORTANT CHANGES TO RECYCLING SACKS DISTRIBUTION SERVICE

From Monday 5th December if you are living in a high rise property, you will have to collect your **annual** supply of recycling sacks from your local Idea Store on specific days and times only. For more information please refer to the schedule below or to the website: www.towerhamlets.gov.uk/recycling

Please bring a recent (three months or less) original copy of proof of address such as a utility bill, council tax bill, bank statement with you when collecting your recycling sacks supply.

If you live in another type of property you will have your annual supply of bags delivered directly to your home. Streetline will no longer take requests from residents requesting pink recycling sacks or food waste liners.

Any households that require food waste bin liners will also have to collect their annual supply from Idea Stores.
